

## **RULES TO STAY WITH YOUR DOG** **IN OUR HOTELS**

- To leave or enter the hotel's facilities you should take your pet always on short leash.
- In the entire hotel complex there is no place that allows your pet to solve their small and large needs, so a walk outside the hotel complex will solve this problem as long as you pick up their excrements.
- The dog's owner is obliged to keep their pet in proper sanitary conditions. You will held responsible for damages caused by your dog to third parties and / or hotel furniture.
- Remember that the room will not be cleaned while your pet is inside. Once the animal is out of the room, please notify the staff so that they can proceed to clean.
- The animal is allowed only in the room, being banned from the main hotel building (reception, restaurant and the rest of the hotel areas) except for transits.
- Please do not allow the dog to jump on the chairs or bed.
- Do not bathe your pets in the room showers and do not use the hotel towels to dry it.
- Any owner of a dog must leave a mobile phone number to reach you in your absence if you leave your dog alone in the room and it might cause inconvenience to other guests.
- When making the reservation please indicate on beforehand that you will be travelling with a pet.
- The amount of the damage caused by your pet during your stay at the hotel will be charged on your bill.
- Do not forget to give a signed copy of this document as proof of acceptance of conditions. Thank you in advance for observing these rules. We hope you will have a pleasant stay in our hotel.
